Builder's Club is a monthly giving program that supports LAHFH's efforts to eliminate poverty housing in the Lakes Area.

Your monthly contribution can mean the difference between starting a project or delaying it, while a partner family continues to live in substandard conditions. Please help families leave substandard housing behind by joining today. It's convenient, it's easy and it builds a strong foundation for serving families in need.

Just fill out the information below and return it to the address listed to make a monthly gift from your checking account or credit card.
