

Promoting strength, self-reliance, and stability through shelter in Cass, Crow Wing and Hubbard Counties & the City of Staples

Dear Lakes Area Habitat for Humanity Supporter,

We have much to be thankful for as we look back at 2017. Your generous volunteer hours and financial support provided safe and affordable housing for five families. "Every Hand, Every Dollar, Every Smile" is our theme for 2018 as we continue giving families a hand up, not a hand out.

On Wednesday, June 13, 2018, our supporters, volunteers, donors and employees will gather in thanks, gratitude and fellowship at Maddens to support building homes in the Lakes area.

You are key to our shared commitment to providing families strength and stability, day after day. This is what unites us: through shelter, we empower. Our shared vision is a world in which everyone has a decent place to live.

We're excited about our move to Maddens this year, allowing us to accommodate more guests. We're also enthused about donors, like you, having the opportunity to challenge up to five of your friends, relatives and neighbors to join you in sponsoring Lakes Area Habitat for Humanity.

Based on 2017 dinner attendee and sponsor feedback, we're providing online sponsorship and attendee registration in 2018. Donations to our "Build-A-Home" and Silent Auction items will be completed via mobile applications, making it possible for those attending and not attending to bid for items. Embedded in the mobile auction items are places for the logos of our sponsors, further advertising your support of the event. Finally, this year you can call upon five friends and family to sponsor in an "ice-bucket" style challenge.

Please consider sponsoring Lakes Area Habitat for Humanity's fundraiser dinner and helping us eliminate poverty housing in our communities. Choose a convenient way to sponsor:

1. Fill out and return this form by email to dinner@lakesareahabitat.org
2. Fill out and mail this form to LAHFH P.O Box 234, Brainerd, MN 56401
3. Contribute using our new Gesture software. Online registration will be available January 2018. More information on this new option will be emailed in January.

See the attached Sponsorship Level for details. Please email dinner@lakesareahabitat.org if you have any questions or would like to sponsor. We'll follow up with you after January 1, 2018.

Sincerely,

Kevin Pelkey
