position summary

The Construction Volunteer Facilitator would assist the construction manager with all aspects of construction and onsite volunteer coordination of possibly 100 volunteers throughout the summer. We are planning on 2 new builds in Brainerd for 3 adults and 9 children.

essential responsibilities

- Provide support to the Construction Manager and Site Supervisor
 - Assist site supervisor with preparing the site for daily construction activities
 - Review plans with site supervisor to determine required materials and tools
 - Communicate progress frequently with affiliate office staff
 - Work on construction tasks cooperatively with volunteers and homebuyers
- Volunteer Coordination and Creating a Meaningful Volunteer Experience
 - Assist in coordinating volunteers and homebuyers on the construction site
 - Ensure volunteers submit all required documentation prior to volunteering onsite
 - Present background information on affordable housing to volunteers
 - Answer questions related to Habitat for Humanity and affordable housing
- Participate in AmeriCorps-related activities as assigned
 - Attend orientation at beginning of service
 - Attend AmeriCorps civic engagement retreats and team meetings
 - Participate in scheduled affiliate, program and statewide AmeriCorps events
- Complete administrative responsibilities
 - Check and respond to emails daily
 - Submit expense reports from items purchased with Habitat credit card

essential qualifications

- 18 years of age or older
- A U.S. Citizen or U.S. National or a lawful permanent resident
- High school diploma or GED but Bachelor's degree preferred
- Not served two terms of service within AmeriCorps already (with some exceptions)
- Possess a valid driver's license with a good driving record
- Successfully pass background, sex offender and FBI fingerprint checks
- Must submit contact information for one professional reference

knowledge, skills and abilities

- Ability to learn and apply construction terminology, tool and material-usage and general techniques
- Good oral and written communication skills

- Ability to make routine decisions and problem-solve
- Adaptable & flexible regarding communication & work styles, work assignments & service hours
- Perform and solve basic math calculations and problems
- Ability to work independently or in a group
- Prior volunteer experience preferred

essential physical requirements

- Stand and walk for the majority of a day, usually on uneven surfaces
- Climb ladders and scaffolding and use stairs and ramps
- Bend, lift, grasp, reach, push, and pull materials and tools to move them into and out of vehicles
- Give and receive detailed information through verbal communication
- Periodically lift and move loads up to 50 pounds
- Independently operate a motor vehicle
- Must wear appropriate safety equipment and clothing

service environment

The majority of service is performed outside on construction sites, either new-build or building rehabilitation with exposure to dirt, dust, dampness, construction debris, extreme temperatures, warehouse and construction noises and fumes and odors from construction materials. Basic and power construction tools, such as: hammer, wrench, screw drivers, utility knife, tape measure, scissors, drill, reciprocating saw, etc.

affirmative action and equal opportunity employer

The Minnesota Habitat for Humanity AmeriCorps Program will take Affirmative Action to ensure that all employment practices are free of discrimination. Such employment practices include, but are not limited to, the following: recruitment, employment advertising, selection, hiring, upgrading, promotion, demotion, transfer, layoff, disciplinary action, termination, rates of pay or other forms of compensation, and selection for training and apprenticeship opportunities. Reasonable accommodations will be made for qualified individuals with known disabilities for interviews and for service positions. The Minnesota Habitat for Humanity AmeriCorps Program strives to engage men and women from a wide variety of cultures, races, educational backgrounds, socioeconomic statuses, ages and abilities.
