The GLAR (Greater Lakes Association of Realtors) Foundation has so generously offered their time and resources to make this event a reality. Their ability to accept the responsibility of organizing, facilitating, and evaluating the monetary portions of the proceeds from tonight's event allow Lakes Area Habitat for Humanity the ability to benefit, while reducing the stress surrounding volunteers, precious time, and monetary resources. As you write your check to GLAR Foundation, please note, this event is not associated with home sales or the real estate market in any way, nor are any of tonight's participants GLAR Foundation representatives. 100% of the proceeds from this event go directly to Lakes Area Habitat For Humanity.
